**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life; property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessel or the premise of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020; of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurer's liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$0.00, and does not include any charges for the portion of losses covered by the United States Government under the Act.

I ACKNOWLEDGE THAT I HAVE BEEN NOTIFIED THAT UNDER THE TERRORISM RISK INSURANCE ACT, AS AMENDED, ANY LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM UNDER MY POLICY COVERAGE MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT AND MAY BE SUBJECT TO A \$100 BILLION CAP THAT MAY REDUCE MY COVERAGE, AND I HAVE BEEN NOTIFIED OF THE PORTION OF MY PREMIUM ATTRIBUTABLE TO SUCH COVERAGE.

- b. The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment." If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

2. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

3. Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident," we will pay your additional cost to replace with equipment that is better for the environment, safer or more efficient than the equipment being replaced.

However, we will not pay more than 125% of what the cost would have been to replace with like kind and quality. This condition does not increase any of the applicable limits. This condition does not apply to any property to which Actual Cash Value applies.

E. Paragraph G.4. Optional Coverages - Equipment Breakdown Protection Coverage in Section I - Property is deleted.

F. The following definitions are added to Paragraph H. Property Definitions in Section I - Property:

1. "Covered equipment"

a. "Covered equipment" means Covered Property:

- (1) That generates, transmits or utilizes energy, including electronic communications and data processing equipment; or
- (2) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

b. None of the following is "covered equipment":

- (1) Structure, foundation, cabinet, compartment or air supported structure or building;
- (2) Insulating or refractory material;
- (3) Sewer piping, buried vessels or piping, or piping forming a part of a sprinkler or fire suppression system;
- (4) Water piping other than boiler feedwater piping, boiler condensate return piping or water piping forming a part of a refrigerating or air conditioning system;
- (5) "Vehicle" or any equipment mounted on a "vehicle";
- (6) Satellite, spacecraft or any equipment mounted on a satellite or spacecraft;
- (7) Dragline, excavation or construction equipment; or
- (8) Equipment manufactured by you for sale.

2. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.

3. "One accident" means: If an initial "accident" causes other "accidents," all will be considered "one accident." All "accidents" that are the result of the same event will be considered "one accident".

4. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.

5. "Vehicle" means, as respects this endorsement only, any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to, car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle."

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

SCHEDULE

Premises Number	Building Number	Coverage 1 (Check if applies)	Coverage 2 Limit Of Insurance	Coverage 3 Limit Of Insurance	Coverages 2 And 3 Combined Limit Of Insurance*
			See Schedule	BP 04 46 SC	

Business Income And Extra Expense Optional Coverage (Enter Yes or No): No

Number Of Hours' Waiting Period For Period Of Restoration Applicable To Business Income And Extra Expense Optional Coverage:

***Do not enter a Combined Limit of Insurance if individual Limits of Insurance are selected for Coverages 2 and 3, or if one of these Coverages is not applicable.**

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Section I - Property is amended as follows:

A. Each Coverage - Coverage 1, Coverage 2 and Coverage 3 - is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for the Coverage(s) in the Schedule.

B. Application Of Coverage(s)

The Coverage(s) provided by this endorsement applies only if both **B.1.** and **B.2.** are satisfied and are then subject to the qualifications set forth in **B.3.**

1. The ordinance or law:

- a.** Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
- b.** Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual

requirements are not covered under this endorsement.

2. The building sustains direct physical damage:

- a.** That is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or
- b.** That is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.
- c.** But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

3. In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **1, 2** and/or **3** of this endorsement. Instead, we will pay a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section H. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverages 1, 2 and/or 3 of this endorsement.

C. We will not pay under Coverage 1, 2, or 3 of this endorsement for:

1. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread of any activity of "fungi", wet rot or dry rot; or
2. The costs associated with the enforcement of or compliance any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.

D. Coverage

1. Coverage 1 - Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage 1 for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building. Coverage 1 is included within the Limit Of Insurance shown in the Declarations as applicable to the covered building. Coverage 1 does not increase the Limit of Insurance.

2. Coverage 2 - Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

Paragraph E.5.d. Loss Payment Property Loss Condition does not apply to Demolition Cost Coverage.

3. Coverage 3 - Increased Cost Of Construction Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or
- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- a. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- b. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Paragraph E.5.d. Loss Payment Property Loss Condition does not apply to the Increased Cost Of Construction Coverage.

E. Loss Payment

1. All following loss payment Provisions E.2. through E.5. are subject to the apportionment procedure set forth in Section B.3. of this endorsement:
2. When there is a loss in value of an undamaged portion of a building to which Coverage 1 applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - a. If the property is repaired or replaced on the same or another premises, we will not pay more than the lesser of:
 - (1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
 - (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.

b. If the property is **not** repaired or replaced, we will not pay more than the lesser of:

- (1) The actual cash value of the building at the time of loss; or
- (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.

3. Unless Paragraph E.5. applies, loss payment under Coverage 2 - Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

- a. The amount you actually spend to demolish and clear the site of the described premises; or
- b. The applicable Limit Of Insurance shown for Coverage 2 in the Schedule above.

4. Unless Paragraph E.5. applies, loss payment under Coverage 3 - Increased Cost Of Construction Coverage will be determined as follows:

a. We will not pay under Coverage 3:

- (1) Until the property is actually repaired or replaced, at the same or another premises; and
- (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage 3 is the lesser of:

- (1) The increased cost of construction at the same premises; or
- (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.

c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage 3 is the lesser of:

- (1) The increased cost of construction at the new premises; or
- (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.

5. If a **Combined** Limit Of Insurance is shown for Coverages 2 and 3 in the Schedule above, Paragraphs E.2. and E.3. of this endorsement do not apply with respect to the building property that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost Of Construction, is the Combined Limit Of Insurance shown for Coverages 2 and 3 in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

b. With respect to the Increased Cost Of Construction:

(1) We will not pay for the increased cost of construction:

(a) Until the property is actually repaired or replaced, at the same or another premises; and

(b) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.

(3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

F. The terms of this endorsement apply separately to each building to which this endorsement applies.

G. Under this endorsement, we will not pay for loss due to any ordinance or law that:

1. You were required to comply with before the loss, even if the building was undamaged; and
2. You failed to comply with.

H. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section B.3. of this endorsement).

Assume:

- * Wind is a Covered Cause of Loss. Flood is an excluded Cause of Loss;
- * The building has a value of \$200,000;
- * Total direct physical damage to building: \$100,000;
- * The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value;
- * Portion of direct physical damage that is covered (caused by wind): \$30,000;
- * Portion of direct physical damage that is not covered (caused by flood): \$70,000; and
- * Loss under Ordinance or Law Coverage 3 of this endorsement: \$60,000.

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$\$30,000 \text{ divided by } \$100,000 = .30$

Step 2: Apply that proportion to the Ordinance or Law loss.

$\$60,000 \times .30 = \$18,000$

In this example, the most we will pay under this endorsement for the Coverage 3 loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

NOTE: The same procedure applies to losses under Coverages 1 and 2 of this endorsement.

I. If shown as applicable in the Schedule of this endorsement, the following applies:

Business Income And Extra Expense Optional Coverage

1. If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the increased period of suspension of your "operations" caused by or resulting from a requirement to comply with any ordinance or law that:

- a. Regulates the construction or repair of any property;

- b. Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and

- c. Is in force at the time of loss.

However, coverage is not extended under this endorsement to include loss caused by or resulting from the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

2. Paragraph H.9. Period Of Restoration Definition is replaced by the following:

9. "Period of restoration" means the period of time that:

a. Begins:

- (1) 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises, unless a lesser number of hours is shown in the Schedule of this endorsement; or

- (2) Immediately after the time of the direct physical loss or damage for Extra Expense Coverage caused by or resulting from any Covered Cause of Loss at the described premises; and

b. Ends on the earlier of:

- (1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
- (2) The date when business is resumed at a new permanent location.

"Period of restoration" includes any increased period required to repair or reconstruct the property to comply with the minimum standards of any ordinance or law, in force at the time of loss, that regulates the construction or repair, or requires the tearing down of any property.

The expiration date of this policy will not cut short the "period of restoration".

WATER BACK-UP AND SUMP OVERFLOW

This endorsement modifies insurance provided under the following:

BUSINESSOWNERS COVERAGE FORM

SCHEDULE

Premises Number	Covered Property Annual Aggregate Limit Of Insurance	Business Income And Extra Expense Annual Aggregate Limit Of Insurance
	See Schedule BP 04 53 SC	
Information required to complete this Schedule, if not shown above, will be shown on Declarations.		

A. We will pay for direct physical loss or damage to Covered Property, covered under Section I - Property, caused by or resulting from:

1. Water or waterborne material which backs up through or overflows or is otherwise discharged from a sewer or drain; or
2. Water or waterborne material which overflows or is otherwise discharged from a sump, sump pump or related equipment, even if the overflow or discharge results from mechanical breakdown of a sump pump or its related equipment.

However, with respect to Paragraph A.2., we will not pay the cost of repairing or replacing a sump pump or its related equipment in the event of mechanical breakdown.

B. The coverage described in Paragraph A. of this endorsement does not apply to loss or damage resulting from:

1. An insured's failure to keep a sump pump or its related equipment in proper working condition;
2. An insured's failure to perform the routine maintenance or repair necessary to keep a sewer or drain free from obstructions; or
3. Sump pump failure which is caused by or results from failure of power, unless this policy

is endorsed to cover power failure affecting the described premises.

C. The most we will pay for the coverage provided under this endorsement for all direct physical loss or damage to Covered Property is the Covered Property Annual Aggregate Limit of Insurance. That limit is \$5,000 per location, unless a different Covered Property Annual Aggregate Limit of Insurance is indicated in the Schedule of this endorsement.

The applicable Covered Property Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all direct physical loss or damage sustained in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property. If loss payment for the first such occurrence does not exhaust the applicable Limit Of Insurance, then the balance of that Limit is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

D. The following provisions apply to Section I - Property and supersede any provisions to the contrary:

The most we will pay under:

1. Paragraph **A.5.f.** Business Income Additional Coverage for all loss of Business Income you sustain due to the necessary suspension of your "operations" caused by direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement; and
2. Paragraph **A.5.g.** Extra Expense Additional Coverage for all necessary Extra Expense you incur and that you would not have incurred if there had been no direct physical loss or damage to Covered Property as described in Paragraph **A.** of this endorsement;

is the Business Income And Extra Expense Annual Aggregate Limit Of Insurance. That limit is \$5,000 per location, unless a different Business Income And Extra Expense Annual Aggregate Limit Of Insurance is shown in the Schedule.

The applicable Business Income And Extra Expense Annual Aggregate Limit of Insurance is the most we will pay under this endorsement for the total of all loss of Business Income you sustain and Extra Expense you incur in any one policy year, regardless of the number of occurrences that cause or result in loss or damage to Covered Property as described in Paragraph **A.** of this endorsement. If loss payment during an earlier "period of restoration" in the policy year does not exhaust the applicable Limit Of Insurance, then the balance of that limit is available for loss of Business Income you sustain or Extra Expense you incur during a subsequent "period of restoration" beginning in, but not after, that policy year. With respect to a "period of restoration" which begins in one policy year and continues in a subsequent policy year(s), all loss of Business Income you sustain or Extra Expense you incur is deemed to be sustained or incurred in the policy year in which the "period of restoration" began.

- E. With respect to the coverage provided under this endorsement, the **Water Exclusion in Section I - Property** is replaced by the following:

Water

1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
2. Mudslide or mudflow;
3. Water under the ground surface pressing on, or flowing or seeping through:
 - a. Foundations, walls, floors or paved surfaces;
 - b. Basements, whether paved or not; or
 - c. Doors, windows or other openings; or
4. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph **1.** or **3.**, or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **1.** through **4.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs **1.** through **4.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

- F. For the purposes of this endorsement, the term drain includes a roof drain and related fixtures.

BUSINESSOWNERS COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this Coverage Form the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the Company providing this insurance.

In Section II - Liability, the word "insured" means any person or organization qualifying as such under Paragraph C. Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Paragraph H. Property Definitions in Section I - Property and Paragraph F. Liability And Medical Expenses Definitions in Section II - Liability.

SECTION I - PROPERTY

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property includes Buildings as described under Paragraph a. below, Business Personal Property as described under Paragraph b. below, or both, depending on whether a Limit of Insurance is shown in the Declarations for that type of property. Regardless of whether coverage is shown in the Declarations for Buildings, Business Personal Property, or both, there is no coverage for property described under Paragraph 2. Property Not Covered.

a. Buildings, meaning the buildings and structures at the premises described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Your personal property in apartments, rooms or common areas furnished by you as landlord;

(5) Personal property owned by you that is used to maintain or service the buildings or structures or the premises, including:

- (a) Fire extinguishing equipment;
- (b) Outdoor furniture;
- (c) Floor coverings; and
- (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;

(6) If not covered by other insurance:

- (a) Additions under construction, alterations and repairs to the buildings or structures;
- (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the buildings or structures.

b. Business Personal Property located in or on the buildings at the described premises or in the open (or in a vehicle) within 100 feet of the described premises, including:

- (1) Property you own that is used in your business;
- (2) Property of others that is in your care, custody or control, except as otherwise provided in Loss Payment Property Loss Condition Paragraph E.5.d.(3)(b);
- (3) Tenant's improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove;
- (4) Leased personal property which you have a contractual responsibility to insure, unless otherwise provided for under Paragraph 1.b.(2); and
- (5) Exterior building glass, if you are a tenant and no Limit of Insurance is shown in the Declarations for Building property. The glass must be owned by you or in your care, custody or control.

2. Property Not Covered

Covered Property does not include:

- a. Aircraft, automobiles, motortrucks and other vehicles subject to motor vehicle registration;
- b. "Money" or "securities" except as provided in the:
 - (1) Money and Securities Optional Coverage; or
 - (2) Employee Dishonesty Optional Coverage;
- c. Contraband, or property in the course of illegal transportation or trade;
- d. Land (including land on which the property is located), water, growing crops or lawns;
- e. Outdoor fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, signs (other than signs attached to buildings), trees, shrubs or plants, all except as provided in the:
 - (1) Outdoor Property Coverage Extension; or
 - (2) Outdoor Signs Optional Coverage;
- f. Watercraft (including motors, equipment and accessories) while afloat;
- g. Accounts, bills, food stamps, other evidences of debt, accounts receivable or "valuable papers and records"; except as otherwise provided in this policy;
- h. "Computer(s)" which are permanently installed or designed to be permanently installed in any aircraft, watercraft, motortruck or other vehicle subject to motor vehicle registration. This paragraph does not apply to "computer(s)" while held as "stock";
- i. "Electronic data", except as provided under Additional Coverages - Electronic Data. This Paragraph i. does not apply to your "stock" of prepackaged software.
- j. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings.

3. Covered Causes Of Loss

Risks of direct physical loss unless the loss is:

- a. Excluded in Paragraph B. Exclusions in Section I; or
- b. Limited in Paragraph 4. Limitations in Section I.

4. Limitations

a. We will not pay for loss of or damage to:

- (1) Steam boilers, steam pipes, steam engines or steam turbines caused by or resulting from any condition or event inside such equipment. But we will pay for loss of or damage to such equipment caused by or resulting from an explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- (2) Hot water boilers or other water heating equipment caused by or resulting from any condition or event inside such boilers or equipment, other than an explosion.
- (3) Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property. This limitation does not apply to the Optional Coverage for Money and Securities.
- (4) Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
- (5) The interior of any building or structure caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:
 - (a) The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters; or
 - (b) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

b. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:

- (1) Animals, and then only if they are killed or their destruction is made necessary.
- (2) Fragile articles such as glassware, statuary, marble, chinaware and porcelain, if broken. This restriction does not apply to:
 - (a) Glass that is part of the exterior or interior of a building or structure;

- (b) Containers of property held for sale;
or
 - (c) Photographic or scientific instrument lenses.
- c. For loss or damage by theft, the following types of property are covered only up to the limits shown:
- (1) \$2,500 for furs, fur garments and garments trimmed with fur.
 - (2) \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - (3) \$2,500 for patterns, dies, molds and forms.

5. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to Paragraph (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

- (4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

Example #1

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 50,000
Amount of Loss Payable	\$ 49,500
	(\$50,000 - \$500)
Debris Removal Expense	\$ 10,000
Debris Removal Expense Payable	\$ 10,000
	(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance	\$ 90,000
Amount of Deductible	\$ 500
Amount of Loss	\$ 80,000
Amount of Loss Payable	\$ 79,500
	(\$80,000 - \$500)
Debris Removal Expense	\$ 30,000
Debris Removal Expense Payable	
Basic Amount	\$ 10,500
Additional Amount	\$ 10,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500). The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4). Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500, unless a different limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

d. Collapse

The coverage provided under this Additional Coverage - Collapse applies only to an abrupt collapse as described and limited in Paragraphs d.(1) through d.(7).

- (1) For the purpose of this Additional Coverage - Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:
 - (a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - (b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - (c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
 - (d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (i) A cause of loss listed in Paragraph (2)(a) or (2)(b);
 - (ii) One or more of the "specified causes of loss";
 - (iii) Breakage of building glass;
 - (iv) Weight of people or personal property; or
 - (v) Weight of rain that collects on a roof.

(3) This Additional Coverage - Collapse does **not** apply to:

- (a) A building or any part of a building that is in danger of falling down or caving in;
- (b) A part of a building that is standing, even if it has separated from another part of the building; or
- (c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(4) With respect to the following property:

- (a) Awnings;
- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d), we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

(5) If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- (a) The collapse of personal property was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d) of this Additional Coverage;
- (b) The personal property which collapses is inside a building; and
- (c) The property which collapses is not of a kind listed in Paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (5) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

(6) This Additional Coverage - Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(7) This Additional Coverage - Collapse will not increase the Limits of Insurance provided in this policy.

(8) The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in Paragraphs d.(1) through d.(7).

e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage; but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

f. Business Income

(1) Business Income

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (i) The portion of the building which you rent, lease or occupy; and
 - (ii) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.
- (c) Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
 - (ii) Continuing normal operating expenses incurred, including payroll.
- (d) Ordinary payroll expenses:
- (i) Means payroll expenses for all your employees except:
 - i. Officers;
 - ii. Executives;
 - iii. Department Managers;
 - iv. Employees under contract; and
 - v. Additional Exemptions shown in the Declarations as:
 - *Job Classifications; or
 - * Employees.

(ii) Include:

- i. Payroll;
- ii. Employee benefits, if directly related to payroll;
- iii. FICA payments you pay;
- iv. Union dues you pay; and
- v. Workers' compensation premiums.

(2) Extended Business Income

- (a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
- (i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and
 - (ii) Ends on the earlier of:
 - i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
 - ii. 30 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

- (b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.
- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
- (a) The partial slowdown or complete cessation of your business activities; or

- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

g. Extra Expense

- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of the site at which the described premises are located.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of the site at which the described premises are located, your premises means:

- (a) The portion of the building which you rent, lease or occupy; and
- (b) Any area within the building or on the site at which the described premises are located, if that area services, or is used to gain access to, the described premises.
- (2) Extra Expense means expense incurred:
 - (a) To avoid or minimize the suspension of business and to continue "operations":
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
 - (b) To minimize the suspension of business if you cannot continue "operations".
 - (c) To:
 - (i) Repair or replace any property; or
 - (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

- (3) With respect to the coverage provided in this Additional Coverage, suspension means:
 - (a) The partial slowdown or complete cessation of your business activities; or
 - (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.
- (4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

h. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

i. Civil Authority

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described premises are within that area but are not more than one mile from the damaged property; and
- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority coverage for Business Income ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

j. Money Orders And "Counterfeit Money"

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or
- (2) "Counterfeit money" that is acquired during the regular course of business.

The most we will pay for any loss under this Additional Coverage is \$1,000.

k. Forgery Or Alteration

- (1) We will pay for loss resulting directly from forgery or alteration of, any check, draft, promissory note, bill of exchange or similar written promise of payment in "money", that you or your agent has issued, or that was issued by someone who impersonates you or your agent.
- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
- (3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act, and will be treated the same as the original it replaced.
- (4) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit of Insurance is shown in the Declarations.

l. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.
- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.

(4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:

(a) You were required to comply with before the loss, even when the building was undamaged; and

(b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

(a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or

(b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to or assess the effects of "pollutants", "fungi", wet rot or dry rot.

(6) The most we will pay under this Additional Coverage, for each described building insured under Section I - Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

(a) We will not pay for the Increased Cost of Construction:

(i) Until the property is actually repaired or replaced, at the same or another premises; and

(ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased

Cost of Construction is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment Property Loss Condition in Section I - Property do not include the increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

m. Business Income From Dependent Properties

(1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss to dependent property is loss or damage to "electronic data", including destruction or corruption of "electronic data". If the dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit of Insurance is indicated in the Declarations.

(2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:

(a) Source of materials; or

(b) Outlet for your products.

(3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to

resume "operations" as quickly as possible.

- (4) Dependent property means property owned by others whom you depend on to:

(a) Deliver materials or services to you, or to others for your account. But services does not mean water, communication or power supply services;

(b) Accept your products or services;

(c) Manufacture your products for delivery to your customers under contract for sale; or

(d) Attract customers to your business.

The dependent property must be located in the coverage territory of this policy.

- (5) The coverage period for Business Income under this Additional Coverage:

(a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property; and

(b) Ends on the date when the property at the premises of the dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.

- (6) The Business Income coverage period, as stated in Paragraph (5), does not include any increased period required due to the enforcement of any ordinance or law that:

(a) Regulates the construction, use or repair, or requires the tearing down of any property; or

(b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

- (7) The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

n. Glass Expenses

(1) We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

(2) We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

o. Fire Extinguisher Systems Recharge Expense

(1) We will pay:

(a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and

(b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.

(2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.

(3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

p. Electronic Data

(1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.

(2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a

temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage - Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

q. Interruption Of Computer Operations

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.
- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
- (a) Coverage under this Additional Coverage - Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
- (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
- (c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system

(including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage - Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage - Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or

minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.

r. Limited Coverage For "Fungi", Wet Rot Or Dry Rot

(1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet rot or dry rot are the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

(2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:

(a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;

(b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and

(c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot are present.

(3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.

(4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

(5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.

(6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage.

(a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.

(b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. These exclusions apply whether or not the loss event results in widespread damage or affects a substantial area.

- (1) The enforcement of any ordinance or law:
 - (a) Regulating the construction, use or repair of any property; or
 - (b) Requiring the tearing down of any property, including the cost of removing its debris.

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in Paragraphs (1) through (4) above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass

breakage or volcanic action, we will pay for the loss or damage caused by that fire, building glass breakage or volcanic action.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage.

The appraisers will state separately the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

This will not increase the Limits of Insurance of Section I - Property. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

d. Except as provided in Paragraphs (2) through (7) below, we will determine the value of Covered Property as follows:

(1) At replacement cost without deduction for depreciation, subject to the following:

(a) If, at the time of loss, the Limit of Insurance on the lost or damaged property is 80% or more of the full replacement cost of the property immediately before the loss, we will pay the cost to repair or replace, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

(i) The Limit of Insurance under Section I - Property that applies to the lost or damaged property;

(ii) The cost to replace, on the same premises, the lost or damaged property with other property:

i. Of comparable material and quality; and

(b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:

(i) The actual cash value of the lost or damaged property; or

(ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the cost of repair or replacement.

- (c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.
 - (d) We will not pay on a replacement cost basis for any loss or damage:
 - (i) Until the lost or damaged property is actually repaired or replaced; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraphs **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.
 - (e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- (2) If the Actual Cash Value - Buildings option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.
- (3) The following property at actual cash value:
- (a) Used or secondhand merchandise held in storage or for sale;
 - (b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;
 - (c) Household contents, except personal property in apartments or rooms furnished by you as landlord;

- (5) Tenants' Improvements and Betterments at:
- (a) Replacement cost if you make repairs promptly.
 - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
 - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to Accounts Receivable:
- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
 - (i) We will determine the total of the average monthly amounts of accounts receivable for the 12 months immediately preceding the month in which the loss or damage occurs; and

- (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
- (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
 - (i) The amount of the accounts for which there is no loss or damage;

- e. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy; and
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I - Property.

7. Resumption Of Operations

(2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and

(3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

(1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and

(2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- f. With respect to **Additional Coverages 5.f. Business Income** and **5.g. Extra Expense**, if the 72-hour time period in the definition of "period of restoration" (hereinafter referred to as time deductible) is amended for this

Optional Coverage as shown in the Declarations, we will not pay for any Business Income loss that occurs during the consecutive number of hours shown as the time deductible in the Declarations immediately following a mechanical breakdown or electrical failure. However, coverage provided by this Optional Coverage may be reinstated for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment if the reasons for the suspension are found by any of our representatives to no longer exist.

We may suspend or reinstate this Optional coverage by mailing or delivering a written notification regarding the suspension or reinstatement to:

- (1) Your last known address; or
- (2) The address where the pressure, mechanical or electrical machinery and equipment is located.

This notification will indicate the effective date of the suspension or reinstatement.

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" or any offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Paragraph D. - Liability And Medical Expenses Limits Of Insurance in Section II - Liability; and
- (2) Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph f. Coverage Extension - Supplementary Payments.

b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:
 - (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (b) The "bodily injury" or "property damage" occurs during the policy period; and

- (c) Prior to the policy period, no insured listed under Paragraph C.1. Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.

- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph C.1. Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph C.1. Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

- (f) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- (g) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within our Limit of Insurance.

These payments will not reduce the limit of liability.

- (c) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph B.1.b.(2) Exclusions in Section II - Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

- (a) We have used up the applicable Limit of Insurance in the payment of judgments or settlements; or
- (b) The conditions set forth above, or the terms of the agreement described in Paragraph (2)(f) above are no longer met.

H. Other Insurance

1. If there is other insurance covering the same loss or damage, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance of Section I - Property.
2. Business Liability Coverage is excess over:
 - a. Any other insurance that insures for direct physical loss or damage; or
 - b. Any other primary insurance available to you covering liability for damages arising out of the premises or operations for which you have been added as an additional insured by attachment of an endorsement.

I. Premiums

1. The first Named Insured shown in the Declarations:
 - a. Is responsible for the payment of all premiums; and
 - b. Will be the payee for any return premiums we pay.

 - a. Paid to us prior to the anniversary date; and
 - b. Determined in accordance with Paragraph 2. above.

Our forms then in effect will apply. If you do not pay the continuation premium, this policy will expire on the first anniversary date that we have not received the premium.

If so, we may require an additional premium. That premium will be determined in accordance with our rates and rules then in effect.

1. This policy is subject to audit if a premium designated as an advance premium is shown in the Declarations. We will compute the final premium due when we determine your actual exposures.
2. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
3. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

K. Transfer Of Rights Of Recovery Against Others To Us

1. Applicable to Businessowners Property Coverage:

If any person or organization to or for whom we make payment under this policy has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- a. Prior to a loss to your Covered Property.
- b. After a loss to your Covered Property only if, at time of loss, that party is one of the following:
 - (1) Someone insured by this insurance;
 - (2) A business firm:
 - (a) Owned or controlled by you; or
 - (b) That owns or controls you; or

(3) Your tenant.

You may also accept the usual bills of lading or shipping receipts limiting the liability of carriers.

This will not restrict your insurance.

2. Applicable to Businessowners Liability Coverage:

If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

L. Transfer Of Your Rights And Duties Under This Policy

Your rights and duties under this policy may not be transferred without our written consent except in the case of death of an individual Named Insured.

If you die, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. Until your legal representative is appointed, anyone having proper temporary custody of your property will have your rights and duties but only with respect to that property.

IDENTITY RECOVERY COVERAGE
IDENTITY THEFT CASE MANAGEMENT SERVICE AND EXPENSE REIMBURSEMENT

The following is added as an Additional Coverage under Section 1 - Property.

IDENTITY RECOVERY COVERAGE

We will provide the Case Management Service and Expense Reimbursement Coverage indicated below if all of the following requirements are met:

1. There has been an "identity theft" involving the personal identity of an "identity recovery insured" under this policy; and
2. Such "identity theft" is first discovered by the "identity recovery insured" during the policy period for which this Identity Recovery Coverage is applicable; and
3. Such "identity theft" is reported to us within 60 days after it is first discovered by the "identity recovery insured."

If all three of the requirements listed above have been met, then we will provide the following to the "identity recovery insured":

1. Case Management Service

Services of an "identity recovery case manager" as needed to respond to the "identity theft"; and

2. Expense Reimbursement

Reimbursement of necessary and reasonable "identity recovery expenses" incurred as a direct result of the "identity theft."

This coverage is additional insurance.

EXCLUSIONS

The following additional exclusions apply to this coverage:

We do not cover loss or expense arising from any of the following:

1. The theft of a professional or business identity.

2. Any fraudulent, dishonest or criminal act by an "identity recovery insured" or any person aiding or abetting an "identity recovery insured", or by any authorized representative of an "identity recovery insured", whether acting alone or in collusion with others. However, this exclusion shall not apply to the interests of an "identity recovery insured" who has no knowledge of or involvement in such fraud, dishonesty or criminal act.

3. An "identity theft" that is not reported in writing to the police.

LIMITS

Case Management Service is available as needed for any one "identity theft" for up to 12 consecutive months from the inception of the service. Expenses we incur to provide Case Management Service do not reduce the amount of limit available for Expense Reimbursement Coverage.

Expense Reimbursement Coverage is subject to a limit of \$15,000 annual aggregate per "identity recovery insured." Regardless of the number of claims, this limit is the most we will pay for the total of all loss or expense arising out of all "identity thefts" to any one "identity recovery insured" which are first discovered by the "identity recovery insured" during a 12-month period starting with the beginning of the present annual policy period. If an "identity theft" is first discovered in one policy period and continues into other policy periods, all loss and expense arising from such "identity theft" will be subject to the aggregate limit applicable to the policy period when the "identity theft" was first discovered.

Legal costs as provided under item d. of the definition of "identity recovery expenses" are part of, and not in addition to, the Expense Reimbursement Coverage limit.

Item e. (Lost Wages) and item f. (Child and Elder Care Expenses) of the definition of "identity recovery expenses" are jointly subject to a sublimit of \$5,000. This sublimit is part of, and not in addition to, the

Expense Reimbursement Coverage limit. Coverage is limited to wages lost and expenses incurred within 12 months after the first discovery of the "identity theft" by the "identity recovery insured."

Item g. (Mental Health Counseling) of the definition of "identity recovery expenses" is subject to a sublimit of \$1,000. This sublimit is part of, and not in addition to, the Expense Reimbursement Coverage limit. Coverage is limited to counseling that takes place within 12 months after the first discovery of the "identity theft" by the "identity recovery insured."

Item h. (Miscellaneous Unnamed Costs) of the definition of "identity recovery expenses" is subject to a sublimit of \$1,000. This sublimit is part of, and not in addition to, the Expenses Reimbursement Coverage limit. Coverage is limited to costs incurred within 12 months after the first discovery of the "identity theft" by the "identity recovery insured."

DEDUCTIBLE

Case Management Service is not subject to a deductible.

Expense Reimbursement Coverage is subject to a deductible of \$100. Any one "identity recovery insured" shall be responsible for only one deductible under this Identity Recovery Coverage during any one policy period.

No other deductible applies to the Identity Recovery Coverage.

CONDITIONS

The following additional conditions apply to this coverage:

A. Help Line

For assistance, the "identity recovery insured" should call the **Identity Recovery Help Line** at **1-866-221-3470**.

1. Information and advice for how to respond to a possible "identity theft"; and
2. Instructions for how to submit a service request for Case Management Service and/or a claim form for Expense Reimbursement Coverage.

In some cases, we may provide Case Management services at our expense to an "identity recovery insured" prior to a determination that a covered "identity theft" has occurred. Our provision of such services is not an admission of liability under the policy. We reserve the right to deny further coverage or service if, after investigation, we determine that a covered "identity theft" has not occurred.

As respects Expense Reimbursement Coverage, the "identity recovery insured" must send to us, within 60 days after our request, receipts, bills or other records that support his or her claim for "identity recovery expenses."

B. Services

For example, "identity recovery insureds" who are minors or foreign nationals may not have credit records that can be provided or monitored. Service in Canada will be different from service in the United States and Puerto Rico in accordance with local conditions.
